The members of the 100 Black Men of North Metro Atlanta, Inc. are committed to motivating and enabling youth to achieve intellectual excellence, economic responsibility, and self-sufficiency as positive contributors to society.

As a non-profit 501(c)(3) organization, we require the support of businesses, foundations, and other organizations who share similar goals of helping youth and the community at large. We serve a diverse group of young men ranging from honor students to “at-risk” students.

Our signature program is titled the “Men of Tomorrow” (MOT) which supports our vision of mentoring 11 to 18 year-old African American males. We sincerely believe in “What They See is What They’ll Be”, a mantra that is repeated throughout the 100 Black Men chapters across America. The North Metro Chapter is especially proud of the high school graduation rate of 100% and a college entrance rate of 98% with the remaining 2% entering military service or enrolling in a technical/trade program. Our members are dedicated professional men who donate their time, talent, and energy to improving the lives of the mentees enrolled in the MOT program.

We are excited about the possibility of your partnership with the North Metro Atlanta Chapter of The 100 Black Men of America. On behalf of the approximately 800 youth that we support on an annual basis and the North Metro Atlanta Chapter, we would like to thank you for your consideration. For more information about our chapter programs or this event, visit our website at northmetro100.org.

Sincerely,
100 Black Men of North Metro Atlanta Inc.
